

**CITY HALL or GUDE DRIVE MAINTENANCE FACILITY PARKING
PARKING SUBSIDY AGREEMENT**

- ☐ As a regular **City Hall/Court House Square** or **Gude Drive Maintenance Facility** employee, I agree to not drive my personal vehicle to work. I also agree to use an alternative method to get to and from work. I further agree to relinquish my parking privileges on City lots. In exchange, the City will pay me an additional \$70.00 per month as a parking subsidy. I also understand that this commitment is for a minimum of one calendar quarter and it will automatically renew unless I choose to change my commitment, in writing, by the fifteenth of month prior to the quarter in which I want to end my participation. In accepting this program, I acknowledge that driving my personal vehicle to work and parking on City lots, or elsewhere in Town Center or near the Gude Drive Maintenance Facility, is prohibited except in acceptable bona fide emergencies when I may be eligible to purchase a temporary parking pass. To do otherwise constitutes fraud which violates City policy regarding personal conduct. My signature below indicates I accept these terms and I will be getting to work by:

☐ Walking
☐ Van Pool
☐ Carpool

☐ Bus
☐ Biking
☐ Other _____

☐ Train
☐ Metro Subway
